## INTRO

### VERSE 1

Colors change leaves they fall  
But You remain the same  
Another year older on the tenth of October  
But You remain the same

### PRE-CHORUS 1

It's not that change is a bad thing  
But why can't the world just stop spinning  
We look for answers in all the wrong places  
When we can all just turn to You

### CHORUS 1

I want to step out of the boat  
And put all of my trust in You  
But it's so hard when life comes at me  
Like a stone in a sling  
You told me to give You my fears  
But the fear isn't going away  
Will I live to see another day  
Are You still there God I need You

### NC INTRO

To take this away

### VERSE 2

Another Halloween Satan's dirty tricks and treats  
And that devil tries to steal my soul  
I know You're there but I admit I'm scared  
But You comfort me when I'm afraid

### PRE-CHORUS 2

I know You promised that You'd be with me  
Through trials and through temptations  
It seems okay on the outside  
But on the inside it's tearing me apart

### NC

So I need You to satisfy me

### CHORUS 2

I want to step out of the boat  
And put all of my trust in You  
But it's so hard when life comes at me  
Like a stone in a sling  
You told me to give You my fears  
But the fear isn't going away  
Will I live to see another day  
Are You still there God I need You
