## INTRO

### VERSE 1

Before everything was ma-ade  
There was nothing but the darkness  
So You spoke the light into existence  
By Your word You breathed the breath of life

### PRE-CHORUS

You were You are and You will always be

### CHORUS

God of the universe in You there is no darkness  
You are the light shining bright  
The One who gives me life  
God of the universe in You I find my purpose  
You hold me together in Your hands  
Perfect are Your plans

### REPEAT INTRO

You are God God of the universe

### VERSE 2

When You formed me in Your ha-ands  
You spoke life into the depths of my soul  
You knew of me before You created me  
So let Your will be done in my life

### REPEAT PRE-CHORUS

### REPEAT CHORUS

### BRIDGE (RAP with BACKGROUND VOCALS)

God of the universe  
Creation sings to proclaim Your worth  
The Heavens declare Your glory  
The skies proclaim the works of Your hands  
There is  
Your church is longing for a fire  
No one like You  
To bring us back and take us higher  
God there is  
Take us higher Lord take us higher  
No one like You  
Take us higher higher than before  
God there is  
The church it groans it longs for You to take us home  
No one like You  
We're seeing signs that point to Your return

## God of the Universe - Intro, V1, PC, C, V2, C, Intro, B, C, Intro

God there is  
As we wait we're down on our knees  
No one like You  
Praying for You to take war and send peace  
God there is  
God we're praying we're seeking revival  
No one like You  
We need You now to send down Your fire  
God there is  
Tear down the walls of Your church and take us higher  
No one like You  
Blow up the earth with Your holy fire  
God

**REPEAT CHORUS**
